

Four new classrooms at Brody Middle School

- Students and staff moving in October 29, 2012
- Security and classroom environment improvements
 - Students don't have to leave the school for classes
- Energy savings
 - Inefficiency of mobiles versus classrooms tied to building
- ADA compliance
 - Elevator
 - Auditorium
 - Restrooms
- Construction cost for this project was \$1.6M

Mobile classrooms previously west of Brody have been removed

Great new learning environment for our students
