Student Discipline Code and Procedures

Philosophy for Discipline

Discipline in the Des Moines Public Schools is a joint responsibility that should be shared by school staff, students, and their families. It is designed to promote behavior that will enable students to function successfully in their educational and social environments. The *District Discipline Code* is to be applied consistently and uniformly throughout the District so that students are treated fairly and equitably. The *District Discipline Code* is developed to help students understand their obligations to others in the school setting, and is reflective of the concern for the dignity and growth potential of each student as well as the commitment to the safety interests of all students, staff and the community.

Student Misconduct

The *District Discipline Code* provides a description of a broad range of behavior considered to be student misconduct. The behavior described should be viewed as representative of the misconduct that most frequently causes a disruption to the orderly educational process.

The acts of misconduct listed in Levels I, II, III, IV are not inclusive. The student who commits an act of misconduct that may be classified into any of the four levels will be subject to disciplinary action by the classroom teacher, dean of students, vice principal, or principal. Des Moines Public Schools administration reserves the right to make final decisions regarding disciplinary consequences.

General Discipline Guidelines for Assessing Penalties

The District may impose disciplinary consequences for conduct that interferes with the educational environment. When administering discipline, district personnel shall adhere to the following general guidelines:

1. Discipline shall be administered when necessary to protect students, school employees, or property and maintain essential order and discipline.
2. Students shall be treated fairly and equitably. Discipline shall be based on a careful assessment of circumstances of each case. Factors that will be considered in the administration of student discipline and factors that will be considered in determining the length of any suspension, alternate educational placement, or expulsion may include but are not limited to:
 - a. Seriousness of offense
 - b. Student's age and intent or lack of intent at the time the student engaged in the conduct.
 - c. Student's disciplinary history
 - d. Student's attitude
 - e. Potential effect of the misconduct on the school environment
 - f. State law requirements for certain disciplinary consequences
 - g. Whether the facts of the case warrant consideration of self-defense as a mitigating factor in the assessment of the punishment
 - h. Whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.
3. Serious offenses are those that substantially disrupt or materially interfere with the orderly process in the classroom, DMPS transportation, the school, or any school-related activity and may include persistent misbehavior of Level II or higher misconduct. An administrator may find, on the basis of the facts and circumstances of the case, that a Level III offense constitutes a serious offense. Finally, a finding that a

student has engaged in any offense listed as an offense under Level III or Level IV constitutes a finding that the student has engaged in serious misbehavior.

Definitions

1. **AEP (Alternate Educational Placement)**: Students are placed in an educational setting determined by the District for a period not to exceed two academic semesters. However, if it is determined that the student is a threat to the safety of other students or a threat to District employees and it is determined that placement is in the best interest of the student, then the student's placement may be for a longer duration. In that situation, there is no limitation on the length of placement of a student in an AEP. Students are placed on a behavior improvement contract during their period of alternate educational placement. Serious violations of the discipline policy by students during the period of placement may result in a recommendation for expulsion.
2. **Expulsion**: The Board of Directors for the District may, by a majority vote, expel a student from school for a violation of the regulations or rules established by the Board, or when the presence of the student is detrimental to the best interest of the school. When a student is expelled he or she is not eligible to receive educational services from the District. The period of expulsion will not exceed two academic semesters.
3. **Persistent**: More than one instance of similar type misconduct.
4. **Possession**: Actual care, custody, control, or management. A student shall be considered to be in possession of any substance or object prohibited or regulated by the Discipline Policy if the substance or object is (1) on the student's person or in the student's personal property, such as the student's clothing, purse, book bag, or backpack; (2) in any private vehicle used by the student for transportation to or from school or school-related activities, such as an automobile, truck, motorcycle, or bicycle; or (3) in any school property used by the student, such as a locker or desk.
5. **Serious Offenses**: Substantial disruption or material interference with the orderly process in the classroom or school building.

General Procedures for Resolving School Problems

School problems can best be resolved at the campus level, where problems start. In order to resolve problems, parents, guardians, or students can meet with a teacher at appropriate times to discuss existing problems. If the parents, guardians, or students are dissatisfied with the teacher's decision or explanation, they can meet with the building administrator to review the area of concern.

If further assistance is needed, then parents, guardians, or students can meet with the executive director and/or regional superintendent. Parents, guardians, and students who wish to appeal the Alternate Educational Placement or who wish to appeal an expulsion should refer to the section of the *Code* relating to procedures for appropriate guidance.

Levels of Offense/Overview

Acts of misconduct are categorized into the following four levels of offense:

Offenses that generally occur in the classroom and can be corrected by the teacher.

Level II — Administrator Assisted:

Offenses that are more serious in nature or a continuance of Level I misconduct.

Level III — Administrator Response:

Offenses that seriously disrupt the educational process in the classroom, in the school, or at school-related activities, or a continuance of repeated Level II misconduct. A finding that a student has engaged in a Level III offense may constitute a serious offense.

Level IV — District Response:

Offenses that threaten to disrupt the orderly educational process of the classroom or school or offenses that demonstrate the student's presence is detrimental to the best interests of the school. A finding that a student has engaged in an offense listed under Level IV constitutes a finding that the student has engaged in serious misbehavior which may require alternate educational placement or recommendation for expulsion for serious offenses. A student may be disciplined for violating Level IV offenses if the misbehavior occurs on school property or at a school-sponsored or school-related activity regardless of whether the event is on or off school property.

Anti-Bullying/Harassment Procedure

Nondiscrimination: No student in the Des Moines Independent Community School District shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in the District programs on the basis of race, color, creed, sex, religion, marital status, ethnic background, national origin, disability, sexual orientation, gender identity, or socio-economic background. The District will provide educational programs and opportunities for students as needed on the basis of individual needs, interests, abilities, and potential.

Harassment and Bullying Prohibited: Harassment and bullying of students is against federal and state law, and against the policy and procedures of the District. The District is committed to maintaining an educational environment free of any form of bullying or harassment by or toward students, parents/guardians, employees, and volunteers while in school, at a school sponsored activity, or at any school sponsored function. The District prohibits harassment or bullying based on the student's actual or perceived race, color, creed, sex, age, religion, marital or familial status, ethnic background, national origin, ancestry, physical or mental ability or disability, sexual orientation, gender identity, physical attribute, political party preference, political belief, or socio-economic background or familial status. Acts of harassment or bullying may be treated as grounds for discipline. Discipline may include suspension or expulsion of a student, termination of an employee, and exclusion of a volunteer from District activities or school premises.

Harassment and Bullying Defined: Any communication toward a student including electronic (such as e-mails or instant messages), telephonic, written or verbal communication, or any physical act or conduct that is based on an actual or perceived trait or characteristic that creates or could reasonably be expected to create an objectively hostile school environment is prohibited. An objectively hostile school environment is created if the act or conduct:

- places the student in reasonable fear of harm to the student's person or property; or
- has a substantially detrimental effect on the student's physical or mental health; or
- has the effect of substantially interfering with the student's academic performance; or

- has the effect of substantially interfering with the student's ability to participate or benefit from the District services, activities, or privileges.

Examples of prohibited behavior may include but are not limited to the following:

- unwelcome touching;
- inappropriate or demeaning remarks, jokes, stories, activities, symbols, signs, or posters;

- requiring explicitly or implicitly that a student submit to harassment or bullying as a term or condition of the student's participation in any educational program or activity.

Sexual Harassment Defined: The District is committed to maintaining an educational environment free of any form of sexual harassment. All employees, volunteers, and students must avoid any action or conduct which could reasonably be perceived as sexual harassment. It shall be a violation of these procedures for any person to harass a student through conduct or communications of a sexual nature as defined by this procedure. Sexual harassment shall consist of unwanted sexual advances, requests for sexual acts or favors, and other verbal or physical conduct of a sexual nature when:

- submission to such conduct is made explicitly or implicitly a term or condition of the student's educational opportunities or benefits; or
- submission to or rejection of such conduct by a student is used as the basis for educational decisions affecting that student; or
- such conduct has the purpose or effect of substantially interfering with a student's education by creating an intimidating, hostile, or offensive educational environment.

Sexual harassment may include but is not limited to the following:

- requests or pressure for sexual activity;
- unwelcome touching;
- other verbal or physical conduct of a sexual nature, such as inappropriate jokes, symbols, signs or posters of a sexual nature;
- repeated remarks to or about a person with sexual or demeaning implications.

(Note: Any sexual overtures made by a staff member to a student whether welcome or unwelcome, shall be grounds for discipline, including termination. See Administrative Procedures Manual Series 400, Code 407.)

Complaint Procedures: Any person alleging a violation of these procedures may file a complaint using the *Complaint Procedures* of Series 400, Code 407, which is also described in the Employee Handbook. Employees who are aware of harassment or bullying shall file a written complaint or shall report the conduct to a principal or to the District Investigations Specialist at 242-7841. The complainant may bypass any step of the complaint procedure where the person against whom the complaint is to be lodged is the alleged perpetrator. Series 400, Code 407 shall govern the investigation of alleged cases of physical or sexual abuse, including sexual harassment, of students by staff members.

The complainant may be required to complete a written form and to turn over copies of evidence of discrimination, harassment, or bullying including, but not limited to letters, e-mails, tapes, signs, and pictures. The investigator shall promptly begin an investigation and proceed to completion. Both the complainant and alleged perpetrator will be given an opportunity to give a statement. District employees, students, parents, and volunteers shall fully and fairly cooperate in the investigation. A written investigation report shall be completed, and a summary of the report, including a finding that the complaint was founded, unfounded, or inconclusive, will be forwarded to the complainant, to the parent or guardian, and to the alleged perpetrator. The investigator will consider the totality of the circumstances presented in determining whether the conduct objectively constitutes discrimination or harassment.

The right to confidentiality, of both the complainant and the accused, will be respected consistent with the District's legal obligations, and with the necessity to investigate the allegations of misconduct and to take corrective action when this conduct has occurred.

No Retaliation: No person shall retaliate against a student or other person because the student or other person has filed a discrimination or harassment complaint, assisted or participated in an investigation, or has opposed language or conduct that violates these procedures, as long as the participation or action was done in good faith. Persons who engage in retaliation or who knowingly file false complaints or give false statements in an investigation shall be subject to discipline up to and including suspension, expulsion, or termination of employment.

Corrective Action: The District will take action to halt any improper discrimination, harassment or bullying and will take other appropriate corrective actions, including disciplinary measures, which may include discharge, suspension, expulsion, or exclusion of a perpetrator to remedy all violations of these procedures.

Notification: Notice of these procedures shall be communicated to staff, students, and parents of the District and to the District community. It shall be included in handbooks including those for students, staff and volunteers, on the District's web site, and shall be published in any manner as deemed appropriate.

Training: The District shall educate staff, parents, and students about harassment and bullying, effective methods of prevention, and what to do in the event of such actions. The District shall participate in assessments of the effectiveness of these procedures and education programs and shall make reports as required.

Other Agencies: Students, parents, and employees may also contact the Iowa Civil Rights Commission, the Des Moines Human Rights Commission, the Region VII Office for Civil Rights within the United States Department of Education in Kansas City, Missouri, or the United States Equal Employment Opportunity Commission in Milwaukee, Wisconsin, for assistance.

Anti-Hazing Procedure

Hazing Prohibited: Certain forms of hazing are illegal and subject to criminal sanctions in the state of Iowa. All forms of hazing are prohibited by the District both on and off District property. Hazing is a practice that diminishes the integrity of individuals and their teams, activities, and organizations. Hazing has no place in our society, particularly in an educational environment. The District is committed to emphasizing that all teams, activities, and organizations be made safe, educational, and constructive. Therefore, in support of the District's commitment to the mental, emotional and physical well-being of every student, hazing in any form is prohibited, and its practices in any manner are condemned.

Hazing Defined: Hazing occurs when an action is taken against a person for the purpose of initiation or admission into, or affiliation with any organization, team, or activity operating in connection with the District, and the action either results in or is reasonably likely to have the effect of endangering the physical or mental health of the person, or humiliating, intimidating, or demeaning the person.

Hazing includes, but is not limited to, any type of physical brutality such as whipping, beating, striking, branding, placing a harmful substance on or in the body; any physical activity such as sleep deprivation, exposure to the elements or confinement in a particular space; any activity involving consumption of food, liquid, alcoholic beverage, drug, or other substance that subjects a student to an unreasonable risk of harm; wearing of public apparel that is conspicuous or intended to embarrass or humiliate by drawing undue attention; or any activity that induces, causes, or requires a student to perform a duty or task that involves the commission of a crime.

Hazing shall not include any activity or conduct that furthers the legitimate curricular or extracurricular goals in a manner that is appropriate and customary for similar school programs.

Complaint Procedures: Any person alleging a violation of this *Procedure* may file a complaint using the *Complaint Procedures* of Series 400, Code 407, which is also described in the Employee Handbook. Employees who are aware of hazing shall file a written complaint or shall report the conduct to a principal or to the District Investigations Specialist at 242-7841. The complainant may bypass any step of the complaint procedure where the person against whom the complaint is to be lodged is the alleged perpetrator.

The investigator shall promptly begin an investigation and proceed to completion. Both the complainant and alleged perpetrator(s) will be given an opportunity to give a statement. District employees, students, parents, and volunteers shall fully and fairly cooperate in the investigation. A written investigation report shall be completed, and a summary of the report, including a finding that the complaint was founded, unfounded or inconclusive will be forwarded to the complainant, to the parent or guardian, and to the alleged perpetrator. The investigator will consider the totality of the circumstances presented in determining whether the conduct objectively constitutes hazing.

The right to confidentiality, of both the complainant and the accused, will be respected consistent with the District's legal obligations, and with the necessity to investigate the allegations of misconduct and to take corrective action when this conduct has occurred.

No Retaliation: No person shall retaliate against a student or other person because the student or other person has filed a hazing complaint, assisted or participated in an investigation, as long as the participation or action was done in good faith. Persons who engage in retaliation or who knowingly file false complaints or give false statements in an investigation shall be subject to discipline up to and including suspension, expulsion, or termination of employment.

Corrective Action: The District will take action to halt any hazing and will take other appropriate measures which may include for students disciplinary actions including but not limited to suspension from school, removal or suspension from participation in athletic events or extra-curricular activities, or referral to an appropriate law enforcement agency. Should a staff member participate in, or condone, or fail to take reasonable measures to halt hazing activity of which he or she is aware, or about which he or she should have known; disciplinary measures will be taken up to and including termination.

Notification: Notice of this procedure shall be communicated to staff, students, and parents of the District and to the District community. It shall be included in handbooks including those for student, parents, and staff, on the District's Web site, and shall be published in any such manner as deemed appropriate.

Procedures:

1. Referral to administrator.
2. Administrator confers with student and parent about the misconduct. The student is given an opportunity to explain the incident. The administrator determines misconduct.
3. Repeated violations shall result in a more severe response and/or referral to Level IV.
4. Administrator determines whether the student engaged in Level III misconduct that is serious in nature that warrants a referral for an AEP. If administrator determines that the student engaged in a serious offense then administrator contacts central office administration to start AEP referral process. When the student is recommended for an AEP, the parent shall be given a letter stating the reasons for the placement. In determining the length of the placement, the administrator shall consider such factors as seriousness of the offense, student's age, frequency of misconduct, student's attitude, potential effect of the misconduct on the school environment, state law requirements for certain disciplinary consequences, and whether the facts of the case warrant consideration of self-defense as a mitigating factor in the assessment of any punishment.
5. Special Education students may not be placed in an alternate educational placement unless the IEP Committee determines that it is educationally appropriate and that the student has engaged in conduct for which referral to an alternate educational placement is authorized.
6. Administrative representatives from sending and receiving schools meet with parent or guardian to review AEP and student behavior improvement contract.
7. A Level III appeal may be made within five days in writing to the district office. Parent/Guardian will receive decision of district administration within three business days of receiving the appeal. The decision of the district administration is final regarding Level III appeals.
8. District administration will review student progress with schools to determine student placement following completion of AEP. After assessing the student's progress, those in attendance may decide that the student (1) remain in the AEP; (2) be removed from the AEP and placed in a non-disciplinary alternate educational program to more appropriately address the student's needs; or (3) may return to the sending campus or the campus to which the student is presently zoned.

Level IV: District Response
