ADDENDUM #4

February 19th, 2021

This addendum incorporates the following changes to the bid documents that were issued on February 3rd, 2021. To be considered, bidders shall indicate on the Bid Form that this communication was received and that all changes were included in their bid total. It is the responsibility of the contractor to contact the owner's representative prior to bid date to verify the issuing of any and all clarifying addenda.

These items shall supersede all statements to the contrary in the drawings and project manual (specifications) and shall take precedence over those documents. These items are not listed in any particular order and are intended to add, delete, change and/or clarify the original scope of work.
